CARLISLE FAMILY YMCA – Where...

EVERYONE IS WELCOME!

Scholarships & Financial Assistance Funding

In Fiscal Year 2022 we gave out \$247,966 in Y membership and program scholarships to 1,810 youth and adults. **The Carlisle Family YMCA is committed to making our membership and programming accessible to all.** We pride ourselves in serving our community. The scholarships/financial assistance went towards:

- **Membership** – families, adults, seniors & youth
- **Child Care**
- **Summer Day & Resident Camp**
- **Youth Sports**
- **Other Programming** – including equity & inclusion efforts. In 2022, for example, 10 Afghan families received free memberships to the Carlisle Family YMCA as part of the local Afghan Relocation Effort.

We are grateful for the support of United Way of Carlisle & Cumberland County and other funders, however even with that generosity there is a gap in the funds we receive and the need in our community. **We are committed to our YMCA being an inclusive environment and need your help to meet our current need and to expand our reach.**
